Giving

## *The Legacy of Giving*

In a day when health care funding is so uncertain, Baxter Regional Medical Center Board of Directors is partnering with the Baxter Regional Hospital Foundation to meet current and future needs of BRMC. One of the ways the Boards address these needs is through the planned giving program of the Foundation.

While some planned gifts address current needs, most of these gifts provide resources for tomorrow. Our endowment program includes an assortment of enduring funds that address the ongoing needs of BRMC, and our gift annuity program provides resources to BRMC when the annuity payments are completed. Another example is our emphasis on bequests, whereby donors can give from their estates at death.

All of these planned giving donors express foresight: "Care or provision for the future; provident care; prudence." These friends understand that the future holds many challenges and opportunities, and they want BRMC to be financially able to meet those demands.

We appreciate our friends who stand by us year after year with annual contributions and special gifts. We could not exist without you. Thank you for giving us hope and confidence in a bright tomorrow.

We rely on all our friends to support the mission of BRMC in every possible way: "To provide excellence in medical care, for every patient, every time."

I invite you to call me or our planned giving officer, Estella Tullgren, to show you how you, too, can help us prepare for the future with a planned gift. Please call us at 508.1770.

Thank you for your wonderful support of Baxter Regional Medical Center in 2008.

Sincerely,  
Barney Larry, Executive Director  
Baxter Regional Hospital Foundation

Remarkable

*The Remarkable Spirit of Giving*

Thanks to you the hospital is one of the main pillars of the Twin Lakes Area. The BRMC that you see today was built by donors who believed that we should have remarkable health care right here in our own backyard.

Because of these generous donations, we are a state-of-the-art hospital with services and technology that make us one of the most reputable and recognized medical centers in the region. For more than 46 years, Baxter Regional Medical Center has received thousands of gifts that have made our services, programs, equipment, and facilities possible and worthy of our distinguished reputation. Your generosity allows us to hold this place of honor now and in the future.

Due to the critical changes in the economic climate, we must rely more than ever on financial support from the Baxter Regional Hospital Foundation. Your generous gifts truly make a difference in someone's life at BRMC, every day.

We have always been a region that "takes care of its own," and, with your continued support, we will overcome economic hardships. Our situation is not unique; hospitals across the nation are facing financial challenges, but your generosity is the defining difference.

Our Mission is:

"To provide excellence in medical care for every patient, every time."

Raising money to keep our community healthy is obtainable because of your bequest, and you will be remembered throughout the history of BRMC. Thank you for your donation to the Baxter Regional Hospital Foundation.

Sincerely,  
Ron Peterson  
President & CEO  
Baxter Regional Medical Center

## *BRMC Physicians & Staff*

In 1963, Baxter County Hospital had a staff of six doctors. Those physicians probably had better offers in bigger towns, but instead, they chose to practice medicine in Mountain Home.

Today, many of the nation's top medical talents are still right at home at Baxter Regional Medical Center. With more than 100 physicians on staff, BRMC serves thousands of patients from Arkansas and Missouri each year. Our physicians provide cutting-edge technology and procedures that are unique to a hospital of our size.

Baxter Regional Medical Center is bringing the latest advancements in medicine to Mountain Home.

*Quality*

"Raising Money to Keep Our Community Healthy"

*"It is such a delight to be with my Legacy Society friends. I look forward to each event because I know that we will have great fun, eat good food, and strengthen genuine friendships."*

*- Nell Ponder*

As a member of the Baxter Regional Hospital Foundation Legacy Society, you can gather with future generations of BRMC donors through the power of your philanthropic legacy. The Legacy Society members share a commitment to improving health care at BRMC.

When you make us aware of your bequest or other planned gift to BRMC, you automatically become a member of this very special group. Your gift can be made through a will, charitable remainder trust, insurance policy, or charitable gift annuity. We hope that you will share your plans with us so that we may honor and thank you, unless you prefer to remain anonymous.

Your gift will remain at BRMC, where it will benefit many health care issues, present and future.

# Charitable Gift Annuity

*"The Charitable Gift Annuity was a wonderful way in which we could support BRMC in the present and future and could have a lifetime cash flow from our gift."*

*- Hank & Hattie Tuech*

A charitable gift annuity is an extraordinary way to make a gift, increase your income, and slice your tax bill – all in one transaction. Our charitable gift annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives. A charitable gift annuity is a contract in which you exchange a gift of cash or securities for a fixed income each year for the rest of your life (or for the lives of two people).

## Charitable Gift Annuity Rates Single Life

“Raising Money to Keep Our Community Healthy”

*"Since joining the Strong Women program at BRCOA, not only do I feel better, but my blood pressure has dropped 30 points and I no longer have to take blood pressure medication."*

*Melba Crenshaw  
Participant of Strong Women Program*

The Baxter Regional Center on Aging (BRCOA) is one of the community houses located on the BRMC campus. The BRCOA is a partnership of Baxter Regional Medical Center, the Schmieding Center for Senior Health and Education, the Arkansas Aging Initiative of UAMS, Donald W. Reynolds Institute on Aging, and Arkansas State University Mountain Home. The center is dedicated to improving the quality of life for older adults and their families in Baxter, IZard, Stone, and Marion counties. The center has a resource center and offers several support groups and educational programs to promote healthy aging.

*"The support, love, and information I received was invaluable. Prior, I was drowning in fear, unpreparedness, and never felt so alone."*

*Carol Ballance  
Support Group Member*

The Peitz Cancer Support House is here to help you from diagnosis throughout your cancer treatment. We are a home-like facility for cancer patients and their families. We offer weekly and monthly support meetings. We have information on specific cancers, coping, nutrition, and encouragement. For those experiencing hair loss, we have a wig and turban bank. We also have mastectomy bras and breast forms. The Peitz Cancer Support House services are free of charge. Charitable gifts provide support to those facing cancer. They provide hope and healing to our friends and families when they need it the most.

*"I enjoyed the classes and they helped me to learn to self manage my diabetes. It was a burden lifted."*

*Janet Hodgkin, 57  
Reppell Diabetes Learning  
Center Patient*

The Reppell Diabetes Learning Center, located between the Peitz Cancer Support House and the Center on Aging, offers diabetes self-management training. Classes cover all aspects of healthy living to avoid complications of the disease. Both group classes and private classes are offered. Medicare and most private insurances cover the cost of classes. Free information is available as well. Drop in for free recipes, brochures, diabetes magazines, and blood glucose monitors. We also offer regular support group meetings.

"Tell Your Mom" Program*

Through a generous charitable gift annuity by Josee Schliemann (pictured at right), the Schliemann Center for Women's Health Education is endowed to provide programs and services for women in the community.

The Schliemann Center is completely dedicated to educating women on how to best care for their health in a beautiful, tranquil setting right in the middle of town. For those women who have already discovered this hidden gem, they have found an environment that supports and encourages them to be proactive in their well-being. Through a variety of special programs and events, the Center addresses women's needs across the entire spectrum of life, from babies to "Golden Girls!"

# Mobile Mammography Unit - MMU

*"I cannot praise the Mobile Mammography Unit enough.  
Thank you for providing this outstanding service!!!"*

*Doreen Gimlen, Gainesville, Mo.*

This program is one of the most positive and life saving tools that BRMC has. Many patients come and thank us for catching their breast cancer early. They feel that without the convenience of the MMU they would not have caught it at an early stage.

In 2008, the BRMC Mobile Mammography Unit went to 156 locations and completed 2,496 mammograms. This was more than any Mobile Unit in Arkansas, according to The Komen Foundation.

The Mobile Unit itself is a rolling billboard saying to all who see it "BRMC cares."

Outreach

Bonnie Fischer, coordinator and technologist for the Mobile Mammography Unit, funded in part by Komen for the Cure® and Baxter Regional Hospital Foundation helping a patient with a mammogram screening.

*"To me, the auxiliary means being an advocate for Baxter Regional Medical Center and having the opportunity to make a difference in people's lives."*

*Sharon Huffmire  
Auxiliary President*

*Sharon*

*2008 Volunteer Stats:*

The Baxter Regional Center on Aging is dedicated to improving the lives of older adults and their families. The Center offers several programs including: Strong Women Exercise class; AARP Driver Safety; Brain Teaser Club; Education and Support Groups; Journey to Healthy Aging.

Professional programs provide continuing education for nurses, pharmacists, social workers, and physicians. Paraprofessional programs enhance the knowledge of certified nursing assistants, personal care and home health aides to better care for the older adult.

Diabetes is a devastating disease, but it is one that can be managed in order to live a normal, healthy life. An ounce of prevention (learning how to avoid the complications of diabetes) makes much more sense than waiting until there are complications. Nearly 8% of the population of the United States have diabetes. Here in Baxter County, an estimated 10% of our residents have the disease. We're seeing younger people than ever before being diagnosed, which means they will be living longer with the disease and dealing with the complications of the disease at an earlier age. The need is so great! Education is our best hope for reversing these frightening trends.

The Peitz Cancer Support House offers weekly and monthly support meetings for those who wish to attend. These free sessions offer a chance for discussion and education. Trained staff members, physicians, and volunteers facilitate these groups. For more information please call 508-CARE (2273).

Peitz Cancer Support House services are provided without charge to the community. Some of our services include: support group sessions; educational brochures and pamphlets; resource library; Internet access to cancer websites; wigs, scarves, turban and hat bank; mastectomy bra and prosthesis bank.

The Schliemann Center for Women's Health Education services are provided without charge to the community. Some of our services include: childbirth, breastfeeding, and parenting classes; breast pump rentals; fearbusters, women's life, and fibromyalgia support groups; library; Lunch and Learns; Girls Night Out; Teen Girls Go To College; Teen Girls Night Out; Golden Girls Day Out.

*"Planned giving is the future of BRMC - these gifts will ensure quality care for our community for years to come."*

*Estella Tullgren  
Planned Giving Officer*

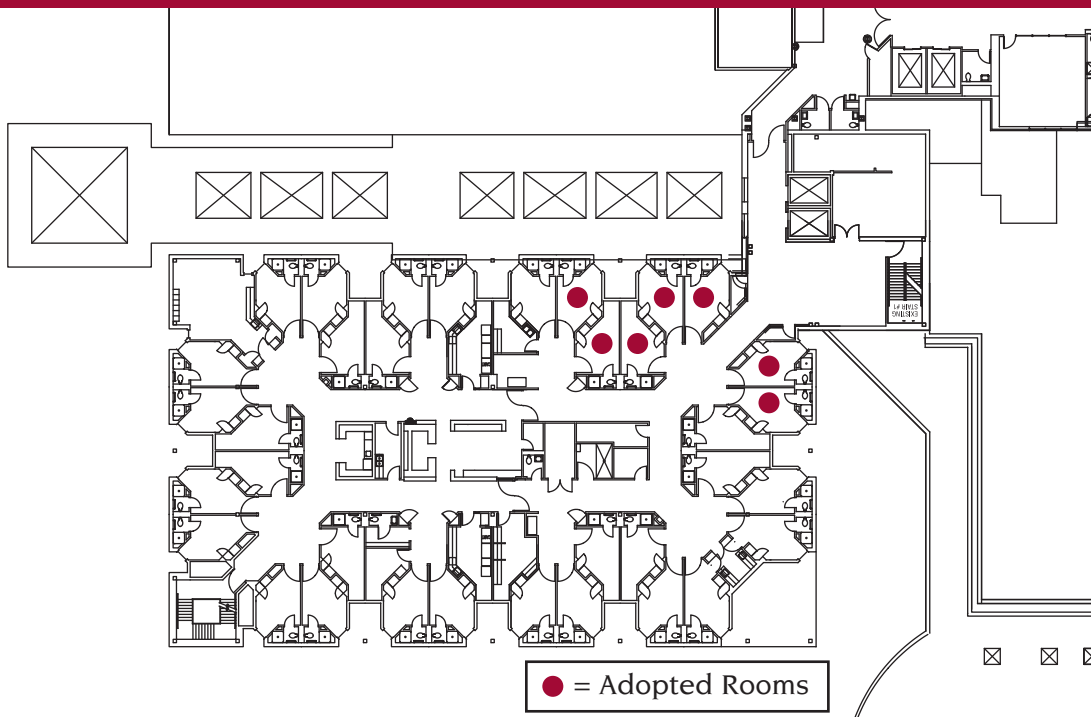

## *What Is Your Legacy?*

Planned gifts are a variety of charitable giving methods that allow you to express your passion and dedication for Baxter Regional Medical Center.

Planned gifts can be made with cash, but many planned gifts are made by donating assets such as stocks, real estate, art pieces – the possibilities are endless.

Planned gifts can provide valuable tax benefits and/or lifetime income for you and your spouse or other loved ones. The most frequently made planned gifts are bequests made through your will. Other popular planned gifts are charitable gift annuities or charitable trusts.

The Baxter Regional Hospital Foundation staff will be honored to assist you in planning your charitable goals to enhance health care at BRMC.

## 3-West Adopt-A-Room 2009 Giving Opportunities

In 2009 the Baxter Regional Hospital Foundation will kick off the “Adopt-A-Room” campaign to renovate the 3-West patient floor at BRMC.

3-West has 35 patient rooms that can be “adopted” for \$10,000 each. A plaque will be placed outside the room with an engraving to designate “In Memory Of,” “In Honor Of,” or “A Gift From” followed by the name requested by the donor. A permanent listing of all donors will also be placed in a specially designated area.

**3-West has 35 patient rooms that can be “adopted” for \$10,000 each.**

The new rooms will have state-of-the-art patient beds – which will enable the nurses and physicians to inter-phase electronically with various parts of patient care.

S3EX Secure Care  
Stryker Hospital Beds

Family members will be more comfortable while visiting with new sleeper chairs in each room.
