The Legacy of Giving

These are uncertain days in health care funding. Through the generous support of our communities and the partnership between Baxter Regional Hospital Foundation and Baxter Regional Medical Center Board of Directors, we are able to meet the current and future needs of the medical center. There are three ways the Boards address these needs: annual funds, major gifts and planned gifts. All three are very vital to the continued success of BRMC.

Even in these challenging financial times, 2009 was another year of wonderful support to our institution. (See pg 3.) Your dollars touched thousands of lives — from the support of the community houses to the remodeling of 3-West and \$2,300,000 in new planned gifts to meet our future needs.

We appreciate our friends who stand by us year after year with annual contributions and special gifts. We could not exist without you. Thank you for giving us hope and confidence for a bright tomorrow.

We rely on all our friends to support the mission of BRMC in every possible way: “To provide excellence in medical care, for every patient, every time.”

We invite you to come by our office or call us at (870) 508-1770 to show you how you can be a vital part of providing superior health care to our communities.

Thank you for your “remarkable” support of Baxter Regional Medical Center in 2009.

Sincerely,
Barney Larry, Executive Director
Baxter Regional Hospital Foundation

Baxter Regional Medical Center

Your Spirit of Giving is Remarkable

The generosity of your donation provides the technology and services that allow Baxter Regional Medical Center to continue to be one of the mainstays of the Twin Lakes Area.

For over 47 years Baxter Regional Medical Center has been the recipient of your generous giving; allowing us to implement programs, purchase equipment, and create facilities worthy of your trust.

We are a state-of-the-art hospital that is well respected. We have a distinguished reputation for the many services we offer, but we could not do it without your support. Your spirit of giving makes a difference in someone's life at BRMC, every day.

The Baxter Regional Hospital Foundation is our beacon of hope in these troubled economic times and you are the cornerstone of the foundation. In this part of the world, we take care of our own, and your generosity is what allows us to help others in need.

Every day, because of your support, we have been able to turn hurt into hope.

*Mission Statement: To provide excellence in medical care
for every patient, every time.*

Our Mission is not comprised of hollow words, but deeds we embrace as we care for our patients. Your generous giving spirit will be remembered throughout BRMC's history.

Thank you for your donation to the Baxter Regional Hospital Foundation.

Sincerely,
Ron Peterson

All Women Welcome - Join WIP Women in Philanthropy

Vision

To unite contributions from women in support of Baxter Regional Medical Center through a collective voice.

Who are we?

Women in Philanthropy (WIP) members are friends who recognize that women as donors have the capability of making a tremendous impact on health care. This impact grows exponentially when the contributions from women are united in support of Baxter Regional Medical Center through a collective voice.

Purpose

- Cultivate women as philanthropic leaders
- Provide resources to fund needs of our hospital
- Allocate funds based on majority preference
- Celebrate the impact
- Attain recognition as a difference maker

The Peitz Cancer Support House provides a comprehensive support services program from first diagnosis throughout treatment and beyond in a home-like environment for cancer patients and their families.

Peitz Cancer Support House services are provided without charge to the community. Some of our services include: support group sessions; educational information on over 120 cancers and related information; wigs, scarves, turban and hat bank; mastectomy bra and prosthesis bank. **For more information, please call 508-CARE (2273).**

Diabetes is a devastating disease, but it is one that can be managed in order to live a normal, healthy life. An ounce of prevention (learning how to avoid the complications of diabetes) makes much more sense than waiting until there are complications.

Nearly 8% of the population of the United States have diabetes. Here in Baxter County, an estimated 10% of our residents have the disease. We're seeing younger people than ever before being diagnosed, which means they will be living longer with the disease and dealing with the complications of the disease at an earlier age. The need is so great! Education is our best hope for reversing the frightening trends. **For more information, please call 508-1765.**

Charitable Gift Annuity & Planned Giving

Charitable Gift Annuity

A charitable gift annuity is an extraordinary way to make a gift, increase your income, and slice your tax bill – all in one transaction.

Our charitable gift annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives.

A charitable gift annuity is a contract in which you exchange a gift of cash or securities for a fixed income each year for the rest of your life (or for the lives of two people).

Charitable Gift Annuity Rates Single Life

Planned Giving - What is Your Legacy?

Planned gifts are a variety of charitable giving methods that allow you to express your passion and dedication for Baxter Regional Medical Center.

Planned gifts can be made with cash, but many planned gifts are made by donating assets such as stocks, real estate, art pieces – the possibilities are endless.

Planned gifts can provide valuable tax benefits and/or lifetime income for you and your spouse or other loved ones. The most frequently made

planned gifts are bequests made through your will. Other popular planned gifts are charitable gift annuities or charitable trusts.

The Baxter Regional Hospital Foundation staff will be honored to assist you in planning your charitable goals to enhance health care at BRMC.

“Planned giving is the future of BRMC – these gifts will ensure quality care for our community for years to come.”

- Estella Tullgren
Planned Giving Officer

Legacy Society

As a member of the Baxter Regional Hospital Foundation Legacy Society, you can gather with future generations of BRMC donors through the power of your philanthropic legacy. The Legacy Society members share a commitment to improving health care at BRMC.

When you make us aware of your bequest or other planned gift to BRMC, you automatically become a member of this very special group. Your gift can be made through a will, charitable remainder trust, insurance policy, or charitable gift annuity. We hope that you will share your plans with us so that we may honor and thank you, unless you prefer to remain anonymous.

Your gift will remain at BRMC, where it will benefit many health care issues, present and future.

Legacy Society members gathered throughout the year for events and ended the year during the Christmas season at a holiday get-together.
