Our Donors..... 10-17

Thanks To Our “Special” Donors...

Over the past two years, we have shared with you the purpose statement of Baxter Regional Medical Center: To preserve BRMC as a comprehensive, independent, community-driven health system in order to optimize access to quality healthcare for patients and the communities we serve.

One of the key phrases in our purpose statement is “community-driven.” What this means to us at the Foundation is that without each of you, our very generous and compassionate donors supporting our mission, we would not be a comprehensive and independent hospital.

You, our donors, have allowed us to support the hospital with gifts of over \$1,200,000 in 2015. Yet, it is not about the dollars but the lives you have touched and given hope.

From babies to the elderly, your gifts have made a difference in lives and families. As we continue together to support BRMC, we will bring HOPE to our community.

On behalf of our staff, we are blessed to have you on this journey with us. Every day we count the blessings we have been given to make a difference in so many lives and it is all because YOU, our “special” donors.

Sincerely,

Barney Larry, Executive Director,
Baxter Regional Hospital Foundation

& PATIENTS
OF THE YELLVILLE-SUMMIT
HEALTH CENTER

2015 Major Gifts

Another Year of People Helping People

In August 2015, the Madelyne M. and Edward C. McCarty Foundation gave a gracious donation to create the McCarty Charity Care Fund to aid students and patients of the Yellville-Summit Health Center.

These funds are used to pay for treatment of patients who would otherwise not be able to receive care due to the inability to pay at the time of service. Some families in the Yellville-Summit Health Center service area struggle just to pay their electric bills, keep food on the table and buy gas to get to and from their jobs. Unfortunately, this leaves very little money to provide even the most basic of healthcare for their children. With the McCarty Charity Care Fund in place these patients, young and old, CAN receive the medical care that is needed.

In late 2015, another need rose to the forefront...the renovation of the BRMC Cardiac and Pulmonary Rehabilitation Unit.

The Foundation staff began heading up an effort to raise the

\$250,000 needed for the BRMC Cardiac and Pulmonary Rehabilitation Unit renovation. As the program continued to grow, this unit was in desperate need of expansion in order meet the following goals:

- More comfortable gym area for patients
- Additional exercise equipment
- More functional and updated patient education room
- New flooring for additional patient safety
- Add a "6 minute walk" track (this is a staff assessment tool)
- Improve the workspace functionality for nurses and technicians that monitor the patient workout

Each pledge towards this renovation may be paid over a period of three (3) years. We are pleased to say that with the help of a generous community, over \$55,000 was raised to support this campaign by the end of 2015.

The first two quarters of 2016 will focus on raising the remainder of the funding needed to complete the BRMC Cardiac and Pulmonary Rehabilitation Unit project.

Our Houses

The Mruk Family Education Center on Aging (MFECO) is **dedicated to helping you live a longer and healthier life**. It provides educational programs, resources and healthcare services to older adults and their families to help them address aging issues.

The MFECO provides numerous education and support groups including Parkinson's, Alzheimer's and Dementia Support Groups for Caregivers, Inflammatory Bowel Disease, Depression, Better Breathers and Heart Disease. Various exercise classes include Fit & Fabulous for Women and Fitness for Men.

Area physicians lend their expertise on various topics for regular learning sessions and a yearly Men's Health Forum. Additional services at the MFECO include the AARP Safe Driving Class, resource library, Journey to Healthy Aging and Dr. David Lipschitz seminars.

Most services provided at the Mruk Family Education Center on Aging are free of charge. For more info, please call 870-508-3880.

The Peitz Cancer Support House (PCSH) **provides a complete support services program from first diagnosis throughout treatment and beyond** in a comfortable home-like environment for cancer patients and their family.

Numerous support groups are held at the PCSH including, Men with Cancer, Ostomy, Celebrating Life, Caregiver's (for family members or friends of cancer patients) and Breast Cancer. Everyone has the opportunity to share their experiences as well as hearing from educational speakers.

Many valuable services are provided, such as Cancer information binders (each one designed with specific types of cancer), nutritional education, tobacco cessation, exercise programs, yoga, wig & turban bank, mastectomy bra bank, and Cancer Support Connections (a program to support newly diagnosed cancer patients through a one-on-one connection with a cancer survivor).

The PCSH is dedicated to doing everything they can to help those who have had cancer enter their lives. All services are provided free of charge. For more info, please call 870-508-CARE (2273).

MFECO Fitness for Men Support Group

RDLC Teaches Blood Glucose Testing

PCSH Supporting One Another

SCWHE - Supporting Women of All Ages

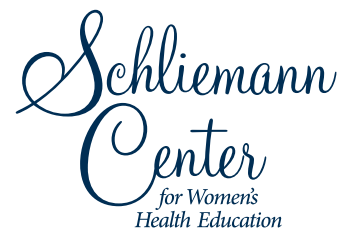

The Reppell Diabetes Learning Center (RDLC) **offers diabetes self-management training through classes, services and support groups** for all ages and all types of diabetes. Unlike many other chronic diseases, diabetes is one that can be managed in order to live a normal, healthy life. Both group and private classes cover all aspects of healthy living to avoid complications of the disease. Recipes, brochures, diabetes magazines, as well as blood glucose monitors are always available.

Your physician, certified diabetes educator, registered nurse and registered dietitian will provide you with all the tools necessary to successfully manage your diabetes and will answer any of your concerns.

Approximately 29 million people, or about 9% of the population in America, have diabetes. More younger people than ever before are being diagnosed and will be living with the disease and dealing with preventing the complications at an earlier age. It is only through education and understanding of diabetes that we can reverse this epidemic.

The RDLC is here for you. Please call 870-508-1765 for more info.

The Schliemann Center for Women's Health Education (SCWHE) is a vital part of BRMC's effort to **provide excellent healthcare education for all women, whatever her age or role in life**.

There are a variety of support groups available including, fibromyalgia, menopause and lactation assistance. We offer classes such as Safe Sitter for young girls to obtain the skills necessary to handle an emergency, Breastfeeding & Childbirth to help the new parents-to-be.

Numerous programs are offered at various times in the mornings, afternoons and evenings at the Schliemann Center every month. Some of the programs include Golden Girls' Day Out, Schliemann Learning Sessions, Girls' Night Out and Teen Girls Go To College. The Women's Health Forum is held each year to inform area women about topics they feel are the most crucial.

The goal of the SCWHE is to assist all women to be confident, educated and healthy. Most services provided are free of charge. Please call 870-508-2345 for more info.

Annual Events

Annual Events Help Fund Programs & Services

Every year, thousands of supporters join us for a variety of fun events that impact the health of our communities. We strive to create experiences that inspire, education and make a lasting impression.

Lend-A-Hand

Each year, the Baxter Regional Hospital Foundation hosts “Lend-A-Hand, Touch A Life,” a campaign to enlist the community’s help to financially support the Mruk Family Education Center on Aging, Peitz Cancer Support House, Reppell Diabetes Learning Center and Schliemann Center for Women’s Health Education.

This year’s Lend-a-Hand campaign included a large gift from the Baxter Regional Medical Center Auxiliary, numerous business contributions and large mailing campaign. **The highlight of the campaign was an Autumn Taste, Tour and Craft Festival.** The crowd enjoyed 2 days of a craft fair with artisans and craftsmen from all over the twin lakes area. On the second night, an evening of wonderful food was enjoyed during the “Taste & Tour”. Main dishes of chili and stew were served under the

“big tent” then guests toured each of the Community Health Education & Support Houses while tasting delicious appetizers and desserts prepared by the ASUMH Hospitality Class.

**Lend-a-Hand Raised
\$129,000!**

Pink For Peitz Rodeo

The Rand Rodeo Company and Chicks and Spurs drill team (pictured above) hosted the 5th annual Pink for Peitz Rodeo August 14-15, 2015 (pictured above). The event honored breast cancer survivors and brought awareness to the support services available at the Peitz Cancer Support House. The event raised \$16,174 and all proceeds were donated to benefit PCSH programs and services.

BRMC Employee Fund Drive

In 2015, our remarkable employees once again rose to the occasion with 84% of the staff contributing, pledging a grand total of \$111,060 during the 2015 Employee Fund Drive (EFD). The national average for hospital employees to participate in employee fund drives is 30%. Many of the areas funded (some of which are solely funded by our employees) include the Employee Crisis Fund, Friends Fund,

(continued from pg. 6)

Employee Children and Grandchildren Scholarship Fund, Mountain Home Christian Clinic, Community Health Education and Support Houses and Hospice House. In the 15 years of the Employee Fund Drive, BRMC staff members have raised nearly \$1,500,000!

Love Life, Oktoberfest

The Schliemann Center for Women's Health Education's annual "Love Life" event is their main fundraising event that always draws a great crowd and plays a major role in supporting the house. 2015 marked the 2nd annual "Wurst Party Ever" (pictured below) where guests enjoyed a traditional German feast along with a "Bier Garten" including numerous craft and home brews. Guests also enjoyed watching the Razorback game on the big screen! Many local businesses and individuals donated live and silent auction items that helped raise over \$25,000 to support programs and services offered at the center!

Hackler Healthy Kids 5K Run

The Hackler Healthy Kids 5K is a fun run race organized by CAB students at Mountain Home High School and sponsored by Wells Fargo Advisors to encourage kids to live a healthy lifestyle (pictured top right). This event brings funds and awareness to The Reppell

Diabetes Learning Center here in Mountain Home, Arkansas!

Hangin' Out In The Hangar

The Mruk Family Education Center On Aging held their 2nd annual "Hangin' Out In The Hangar" fundraiser, appropriately named because it is held in a very large airport hangar (pictured at right). Guests were treated to great food, music & dancing and one of the largest silent auctions in the area. The best part was that it was very casual. The Center raised over \$12,000 with this very casual event – perfect for just "hangin' out"!

Paws For The Cause

The Peitz Cancer Support House holds several successful fundraisers throughout the year including the Pink for Peitz Rodeo and Dining for a Cause. One project that includes our furry family members is an annual pet contest, with the top 12 finalists photographed for the Paws for the Cause calendar (pictured at right). Funds are raised from entry fees, votes for the pets, numerous sponsorships and calendar sales. A total of \$12,219 was raised in 2015 from the calendar project and 100% of all proceeds from this event stay right here in our community and benefit the Peitz Cancer Support House.

American Council on
Gift Annuities.

For details, please contact
us at (870) 508-1770.

Planned Giving

You Don't Have to Be Wealthy...Just Willing

There is something you can do to make a big difference at BRMC – consider remembering us in your will. This is one way to support BRMC that won't cost a thing during your lifetime. It won't affect your budget, change your lifestyle or put your family at risk.

Please consider making a gift through your will and estate planning - it's easy!

- It is simple to do
- It costs nothing during your lifetime
- You keep control of your property
- You can change your mind later, if needed

Gifts from wills are very important to us...and very helpful. Please consider remembering Baxter Regional Medical Center in your will. If you have already

included us in your will, please let us know. We want to thank you, listen to your story, know how you want your gift used and give you information to join our Legacy Society.

Become a partner with us by making a planned gift today.

- Charitable Gift Annuities
- Charitable Trusts
- Simple Bequests
- IRA Charitable Distribution
- Stock Transfers

The Baxter Regional Hospital Foundation will be honored to assist you in planning your charitable goals to help keep superior healthcare at BRMC. Please contact our Foundation office at 870-508-1770.

Charitable Gift Annuity

It can pay YOU to support Baxter Regional Medical Center

The Hospital Foundation offers a gift that pays you back. It is called a Charitable Gift Annuity (CGA).

This gift option is:

- Simple to do
- Helps Baxter Regional Medical Center
- Pays you for life

With a simple agreement, your CGA can pay you for the rest of your life. Your rate is locked in when you make the gift and never changes. This is safe and secure, backed by the assets of the Foundation and Baxter Regional Medical Center.

YOU WIN and WE WIN!

You have the satisfaction of knowing your gift is supporting BRMC. Your gift will pay you back with steady payments each year for as long as you live. A portion of your payments will be income tax free.

The Charitable Gift Annuity meets the needs of many who wish to give but want to make certain they have first provided for their own financial needs and those of their loved ones.

Living Your Legacy

Legacy Society

Legacy Society members form a lasting partnership with the Foundation by making a significant investment in the future of BRMC.

The Baxter Regional Hospital Foundation Legacy Society recognizes friends who have remembered BRMC through their will, trust, life insurance policy or retirement plan, or by funding a life-income gift such as a charitable gift annuity. These gifts add stability and long-term funding so the hospital can expand and meet the growing demands of healthcare.

During 2015, the Legacy Society members participated in several member events...

In April, our group attended the Million Dollar Quartet performance at The Sheid on the ASUMH campus after a light dinner at BRMC.

How to Become a Legacy Society Member?

It is very easy...Remember us in your Will and Estate Planning. Then let us know! Call our Foundation office at 870-508-1770.

Mike and Katie Risk invited the Legacy Society to their home on the river for a June cookout (pictured below).

And of course, our year would not be complete without a Christmas celebration. This year we were treated to a musical show by Barney Larry followed by Ruth Tennison's narration of 'Twas the Night Before Christmas. The luncheon ended with a visit from St. Nick (pictured above).

As a member of the Baxter Regional Hospital Foundation Legacy Society, you can gather with future generations of BRMC donors through the power of your philanthropic legacy.

Legacy Society members share a commitment to improving healthcare at BRMC for generations to come.

Supporting the best...

"As a Diabetic, I have utilized the services offered by the Reppell Diabetes Learning Center & quickly realized the staff & volunteers were on a level of their own when it comes to diabetes management & education. They truly are all-stars for what they do. Who would not want to support the best of the best!"

I am so excited...

"I am so excited to be associated with the Mruk Family Education Center on Aging. I have always felt that if you choose to live in an area, you have an obligation to give back to your community. The MFECOA's mission of helping people ages 50+ to live life to the fullest is crucial to this area. This is accomplished with an energetic & visionary direction, from staff & volunteers, in promoting healthy living through exercise, education & eating habits."

My heart knew...

My devotion to the Schliemann Center for Women's Health Education came in an instant after a girl attending a Teen Girls' Night Out event wrote, "I'm more important than I believe". My heart knew from that point that I wanted to help make a difference in more girls' & women's lives.

The SCWHE is such a unique movement aimed at educating & empowering women of all ages to become aware not only of their physical health, but to invest in their overall spiritual & emotional well-being. The staff & volunteers are devoted to this mission.

We are very fortunate...

“Cancer is a word that affects practically everyone. For me it has been both friends & family. Supporting the Peitz Cancer Support House is my contribution to make sure that area cancer patients have a resource available when they need it. I’m sure that the caring & compassion that visitors receive from the staff & volunteers is a big factor in the success of their treatment. We are very fortunate to have the PCSH in our community.”
