

Lend-A-Hand FALL OPEN HOUSE

TOURS • REFRESHMENTS • GIVEAWAYS • DRAWINGS

**BRMC Community Health Education & Support Houses
Friday, October 14 • 11:00 a.m. – 1:00 p.m.**

The 2016 Lend-A-Hand campaign is supporting the Mruk Family Education Center on Aging, Peitz Cancer Support House, Reppell Diabetes Learning Center and Schliemann Center for Women's Health Education, and the community is invited to join us for an Open House to learn more about their programs and services. These community houses are located on the Baxter Regional Medical Center campus, across Hospital Drive from the BRMC Main Entrance. Stop by and find out more about the programs and services available for the patients, families and communities we serve!

Refreshments will be provided by the Hospitality Class at ASU-MH, and the KTLO Treasure Chest will be there. Try a key to win some cash!

In 2015, more than 20,000 people passed through these community houses and took advantage of their programs and services, most of which are free of charge. The annual Baxter Regional Hospital Foundation Lend-A-Hand campaign and generous community donations keep these houses open.
