THANKS
BAXTER REGIONAL HOSPITAL FOUNDATION
2011 ANNUAL REPORT
TO YOU

Thank You To A CARING COMMUNITY

We have successfully completed another REMARKABLE year at the Foundation. Our community has again, under weak economic conditions, responded to the need to provide **“Excellent Care for Every Patient Every Time.”**

This mission is accomplished every day by our physicians, nurses and staff as they use the support given to them through your generous gifts.

This year you supported over 60 nursing scholarships (\$211,000), 11 medical student scholarships (\$39,000), services at the Community Houses (\$239,000), remodel of 2-West wing and lobby (\$750,000), plus other projects and services totaling (\$259,877).

In addition, **our Legacy Society pledged future gifts of \$2,100,000. REMARKABLE!**

We are thankful for those who stand by us year after year with their gifts. Thank you for giving hope to so many and building confidence that BRMC will have a bright future. These gifts are why, even in uncertain times, **we have a REMARKABLE healthcare facility that makes us all proud.**

On behalf of our staff, we want to say how blessed we

are to serve with you on this mission. Every day we count our blessings that we have been given this opportunity to make a difference in so many lives. So as the title of this letter states “thank you to a caring community.”

Sincerely,

Barney Larry, Executive Director, Baxter Regional Hospital Foundation

BRMC SERVICE AREA

Thanks To You – Our HOSPITAL'S SIXTH MAN

Once again, I recently had the privilege of hearing the Hospital Foundation Chairman present the Annual Foundation Report to the Hospital Board of Directors. And, once again, I was amazed to hear the amount of money which has been donated this past year and to see the numerous areas the Foundation has touched and supported with these funds. After the Report was presented, several Hospital Board members commented positively on the Foundation's work. One adjective was voiced which seems to describe the Foundation most adequately – **phenomenal**.

Personally, **I like to think of the Foundation as the Hospital's Sixth Man**. For those basketball fans, you know the Sixth Man is not one of the team's starting five players. However, the Sixth

Man is the player who must be ready at all times to enter the game at that crucial moment when the extra support is needed most. Much like the Sixth Man's role in basketball, **the Hospital Foundation is always prepared and stands ready to enter the Hospital's "game" providing crucial support when needed.**

Whether the need is for a patient floor remodel, an equipment purchase, a training program, or a backpack drive...the Foundation always delivers

just what is needed and just when it is needed most.

Thank you for your generosity. Through your sustained support of the Hospital Foundation, the Hospital will continue to achieve our vision To Be The Regional Medical Center of Excellence and our mission To Provide Excellent Care for Every Patient, Every Time.

Sincerely,

Ron Peterson

Thanks To You – LEGACY SOCIETY

The Baxter Regional Hospital Foundation Legacy Society recognizes friends who have remembered BRMC through their will, trust, life insurance policy, or retirement plan or by funding a life-income gift, such as a charitable gift annuity.

Legacy society members form a lasting partnership with the Foundation by making a significant investment in BRMC's future.

These gifts add stability and long-term funding so the hospital can expand and meet the growing demands of healthcare.

During 2011, the Legacy Society members participated in several member events...

IN JUNE one of our members hosted the entire group at their river home for a cookout.

IN NOVEMBER we attended the Moscow Ballet's version of the Nutcracker Suite at ASUMH after dining in the Lagerborg Dining Room.

IN DECEMBER, complete with Christmas carols and presents, we gathered for our annual Christmas luncheon to celebrate the season.

As a member of the Baxter Regional Hospital Foundation Legacy Society, you can gather with future generations of BRMC donors through the power of your philanthropic legacy. The Legacy Society members share a commitment to improving healthcare at BRMC.

OUR COMMUNITY HOUSES
 Can Give Back To Our Community

"The Parkinson Support Group meets the first Wednesday of every month at 11:00 a.m. at the **Mruk Family Center on Aging**. We have been attending for the past three years and it has been so beneficial to us."

"Many times we have had guest speakers, which have helped us to understand the illness, plus the House offers exercises that help deal with the disease. Our facilitator, Jean Gaylord arranges for the speakers. She also gives very helpful information on living with the illness."

"In addition to all the help, we enjoy the friendship of all those that attend these group meetings."

- Bill and Mary Ann Harrington

"In 2008, I was diagnosed with breast cancer. I was fortunate in getting top doctors and tried my best to prepare myself mentally and physically for the impending 10 hours of intensive surgery. The surgery went well, the cancer was now gone. My physical healing began, but mentally, I was not dealing with this well at all. Then I heard of the **Peitz Cancer Support House**. It was six months after my surgery before I went to that first meeting, not knowing what to expect and fearing having to face the emotional pain. What awaited me was incredible...a group of wonderful, caring women who had all traveled the same path, experienced the same fears, faced all that I had, and had come through the ashes and back into embracing the joy and gift of life. I knew that the real healing of my inner self could begin."

"At 6, my daughter, Lindy, was diagnosed with Type 1 diabetes. The entire week in the hospital was a nightmare until our appointment at the **Reppell Diabetes Learning Center** for training on how to take care of Lindy's diabetes. We were given such hope and positive affirmation, and we were assured that this disease would not run her life, but could be a starting block for opportunities and a necessary attention for her health. Because of that, she could have better health and a longer life than people without a disease."

"Several years later, my son Chastan was also diagnosed with Type 1 diabetes. Although shocking and disheartening, we knew how and what to do. The RDLC helped guide him to get an insulin pump and trained him how to operate it. He graduated high school last May and through diabetes training & the RDLC's help, he has the opportunity to receive scholarships & help while he pursues becoming a teacher and a coach."

- Crystal Moser

"We believe in you," is the message broadcast throughout the evening at each Teen Girls' Night Out (TGNO) event. Working with area high school counselors, the **Schliemann Center for Women's Health Education** hosts this program for girls who need to hear that message from the positive female mentors with whom they interact during the two-hour event.

Beth Kratochvil, counselor at Calico Rock High School, says "the event helps the girls she brings go from "heads down" to "heads up." She has brought several groups of girls to experience TGNO over the past few years. Many of these girls don't have a lot of opportunity to feel valued or special and tend to sell themselves short and fail to see their value."

"When they go to the teen girls' events, they gain information to help them make better decisions about their health and future. These events have opened up the world to some of these girls. These programs you offer are a gift."

- Beth Kratochvil

Thanks To You – **GENEROUS GIVING** Comes In Many Different Forms

CHARITABLE GIFT ANNUITY

Who says there are no guarantees in life?

A charitable gift annuity with the Baxter Regional Hospital Foundation guarantees a fixed high rate-return of annual income for you...and it guarantees Baxter Regional Medical Center can continue to provide world-class healthcare right here in our community.

Your income and interest are guaranteed, regardless of fluctuations in the interest rates and earning of other securities. Increase your tax savings by funding your charitable gift annuity through the Baxter Regional Hospital Foundation.

It's not too good to be true. More and more people are discovering the surprising benefits for making charitable gifts in the form of gift annuities to support Baxter Regional Medical Center while benefiting from them: secure lifetime payments,

expertly managed funds, and tax savings. The gift annuity meets the needs of many who wish to give but want to make certain they have first provided for their financial needs and those of their loved ones.

PLANNED GIVING...YOUR LEGACY

Creative gift planning can be one of life's most satisfying and rewarding experiences.

As we confront the challenges of the future, we know that the generosity of those who support BRMC will make all the difference in our success. Your dreams for your hospital can become a reality and at the same time accomplish your philanthropic goals.

A planned gift to the Baxter Regional Hospital Foundation can meet your individual

needs...protect your investment...generate income and provide tax benefits.

Let's plan together.

Each of us has goals – financial security, a certain level of income and making a difference at Baxter Regional Medical Center. Become a partner with us by making a planned gift today.

- *Charitable Gift Annuities
- *Charitable Trusts
- *Simple Bequests
- *IRA Distribution Rollovers

To learn how you can support the Hospital Foundation and accomplish your estate planning goals, please contact our Foundation office at 870-508-1770.

“Planned giving is the future of BRMC – these gifts will ensure quality care for our community for years to come.”
