generosity ♥ care
COMPASSION

generosity ♥ care COMPASSION

Who would have believed that the global pandemic would still be upon us in 2021? Unfortunately, COVID-19 is still a part of our daily lives, but we have found ways to adjust. The need to help others has grown significantly and you, as donors, have responded to the call.

2021 was an amazing year for the Foundation. Your gifts of \$2,581,250 to support your hospital included:

nursing scholarships, medical student scholarships, diabetes patient support, a simulation lab, books for all babies born in our nursery, a new surgery pager system, ambulance, trauma support, stroke program, community house outreach, and Hospice of the Ozarks.

As we embark on 2022, we will focus on completing the 5 South Capital Campaign to raise \$1,700,000. As of this writing, you have given over \$1,600,000! Two ambulances are again on our list at \$150,000 each.

We have many fund requests for additional equipment that are not in the hospital's capital budget, but are vital to

keeping our hospital's leading edge. We know you will respond to these needs.

For us to remain a strong, independent hospital we must have deferred gifts, formerly called planned gifts. These gifts are crucial to our sustainability. Contact us for information on how you can join our Legacy Society. You will be amazed how this group of individuals support and improve our hospital while enjoying their endeavors.

The success that we are blessed with, stems from the outstanding support of our Foundation Board, a group of 24 community leaders that have a passion to raise dollars for quality health care. We welcome two new board members in 2022. They are Grace Crownover, co-owner Crownover Construction, and Dr. Jake Long, Superintendent, Mountain Home Public Schools.

I am blessed to work alongside a wonderful team that serves daily to make a difference in the lives of every patient that enters our health care community.

“Words cannot express the gratitude I feel toward the Foundation & Scholarship Committee for providing the Anderson Downes Scholarship. Not only was I successfully able to complete the Paramedic Program, I am currently working on my nursing degree. All this was accomplished due to the generosity of the Foundation.”

HEROES WITH HALOS

164 Caregivers Honored in 2021

After receiving care at Baxter Regional, many of our patients and their families often tell us it is difficult to express the gratitude they feel for the caregivers that touched their life in a special way. The Heroes with Halos program provides them with an avenue to say 'Thank you' and to also provide a small gift to the area of their choice.

Patient Story:

My observations have been, that more often, people complain loudly and whisper praise. The reason for my donation to the Heroes with Halos program is to praise loudly this group

that took care of me during my surgery and stay at BRMC.

I have now had 16 surgeries over a span of 49 years from northwest Arkansas to Washington DC, so I feel I am qualified to rank Baxter Regional at the top of the list.

WAYS TO GIVE

Deferred Giving

What is a "Deferred Gift"?

A deferred gift is one that is made in the future, usually when the donor has passed away. There are a variety of ways to make a deferred gift.

Here are just a couple of examples:

- Bequest in your will or trust a gift of a specific dollar amount, percentage of what is left after providing for relatives, or even a particular asset.
- Make the Hospital Foundation the beneficiary of an IRA or life insurance policy.

Making a deferred gift is a big decision and Baxter Regional Hospital Foundation would be honored to assist you in planning your charitable goals to enhance health care and longevity at Baxter Regional Medical Center.

Please contact our Foundation at (870) 508-1770.

- A deferred gift can provide a great way for donors to support the charitable causes they love.
- Did you know that you can designate the Hospital Foundation as a beneficiary of your IRA without changing your will?
- You don't have to be wealthy, just willing.
- Giving can give you the satisfaction that you are making someone's life better.

Bob & JoAnn James, Legacy Society Members

"When we were ready to retire, we knew we wanted to choose an area with a hospital and Mountain Home was the ideal location for us. While living here, we have watched Baxter Regional Medical Center grow through the years, increase the many areas of treatment it offers, and become very important to this area and to us. We are so happy and blessed to be a part of the Legacy Society at Baxter Regional."

Did you know you can receive fixed payments for life by making a contribution to the Hospital Foundation?

Our Charitable Gift Annuities (CGA) can provide you with risk-free income. A gift of stock, real estate or cash to the Hospital Foundation gives you the security of lifelong payments that are NOT subject to market risk. The amount of income is determined by your age at the time of your gift.

The CGA meets the needs of many who wish to give, but want to make certain they have first provided for their own financial needs and those of their loved ones.

Charitable Gift Annuity

This is safe and secure and backed by the assets of the Hospital Foundation and Baxter Regional Medical Center.

Qualified Charitable Distribution (QCD)

Anyone with an IRA who is 70 ½ or older can support charities they care about by making a QCD out of their IRA. QCD's are a safe way to give to causes that mean something to you.

If you are fortunate enough to have an IRA, consider this simple way to give. Please feel free to call at (870) 508-1770 if you would like guidance on giving through your IRA.

"As an old time nurse and realizing nurses are the backbone of physician's and great healthcare, it is of great importance to me to support the profession. I have implemented a nurse's scholarship fund at BRMC in order to assist others to enter into the profession that I have loved and enjoyed for many years."

Jo Anne Cushing, Legacy Society Members

LEGACY SOCIETY

Where There's a Will - There's a Way To Make a Difference!

Legacy Society Members form a lasting partnership with the Hospital Foundation by making a significant investment in the future of BRMC.

As a member of the Baxter Regional Hospital Foundation Legacy Society, you can gather with future generations of BRMC donors through the power of philanthropic legacy.

Legacy Society members are those who have made a deferred gift to the Hospital Foundation to be used in support of Baxter Regional Medical Center. When you make us aware of your bequest or other deferred gift, you automatically become a member

of this very special group. Your gift can be made through a will, a charitable remainder trust, an insurance policy, an IRA or a charitable gift annuity. Your gift will remain at BRMC, where it will benefit many health care issues—present and future.

How to Become a Legacy Society Member?

It is very easy...just remember us in your Will and Estate Plan. Then let us know. Call our Foundation at 870-508-1770.

Don't miss the chance to make an IRA charitable gift this year!

If you are age 70 1/2 or older and own a traditional IRA, please consider making an IRA charitable distribution. A gift of up to \$100,000 made from your IRA to Baxter Regional Hospital Foundation will:

- Not be included in your taxable income
- Satisfy your required minimum distribution (RMD) for the year
- Reduce your taxable income, even if you do not itemize deductions
- Not be subject to charitable gift limitations
- Provide meaningful support for Baxter Regional Medical Center

Contact Baxter Regional Hospital Foundation or your IRA plan administrator to make a qualified gift from your IRA to our foundation.
