The Legacy of Giving

It seems like every year we are faced with healthcare funding issues. This year is no different. We continue to have uncertain days in this area. We are so blessed to have the support of our communities and the partnership between Baxter Regional Hospital Foundation and Baxter Regional Medical Center Board of Directors. Because of these partnerships we are able to meet the current and future needs of BRMC.

I continue to be amazed at the generosity of our communities. 2010 was another wonderful year of support to our institution. The support given touched so many lives. Every day we hear heart-warming stories of someone touched by the giving spirit of our donors.

We are thankful for those who stand by us year after year with their annual contributions and special gifts. Thank you for giving us hope and confidence for a bright tomorrow.

We invite you to come by our office or call us at 870-508-1770 to show you how you can be a vital part of "providing excellence in care, every patient, every time."

Thank you for your "remarkable" support of Baxter Regional Medical Center in 2010.

Sincerely,
Barney Larry, Executive Director
Baxter Regional Hospital Foundation

Your Spirit of Giving is Remarkable

Each year in January, I have the privilege of hearing the current Chairperson of the Hospital Foundation Board present an Annual Report to the Hospital Board of Directors. And, each year I am amazed at the generosity demonstrated by you and others like you who have made donations throughout the year to the Foundation. Periodic updates from the Foundation concerning donations and gifts are provided at regular intervals during the year so I shouldn't be surprised; however, as the total figures are quoted in the Annual Report, I am always humbled.

Even through the leaner economic times and the tightening of many people's budgets, 2010 remained a year in which the individuals and families we serve at the hospital continued to give unselfishly. Through your and others generous donations, the hospital continues to be able to purchase state-of-the-art equipment and offer necessary services which we might not be able to offer otherwise.

It is only through your sustained support that the hospital can continue to achieve our Vision: *To Be a Regional Medical Center of Excellence and our Mission To Provide Excellent Care for Every Patient, Every Time.*

Please accept my heartfelt thanks for your donations to the Baxter Regional Hospital Foundation.

Sincerely,
 Ron Peterson

“To give away money is an easy matter and in any man's power. But to decide to whom to give it and how large and when, and for what purpose and how, is neither in every man's power nor an easy matter.”

"In 2008 I was diagnosed with Alzheimer's. My husband Jay and I raised four girls and as all families, have faced many problems, but this was one that seemed to have no answers. We went to The Mruk Family Center on Aging and asked if they knew of anything that would benefit us. The volunteer told us about the Alzheimer's/Dementia Support Group. I am the only Alzheimer's patient in the group of mainly caregivers. With the help of this support group, we have been able to move forward – we are so appreciative of all the assistance."

"I understand the value of the Peitz Cancer Support House. In 2004, I was diagnosed with breast cancer. I began attending breast cancer support group meetings and am now a regular. The education and support I received there is priceless. I also began exercising with the PCSH Wellness group as well as adding Yoga for Cancer Survivors in 2010. When my mother was diagnosed with lung cancer, I knew where to go. The PCSH provided us with lung cancer information plus wigs and scarves for my mother when she lost her hair due to chemotherapy treatment. You never know when you will need the services of PCSH. We are so blessed to have them in our community."

"We were married in August 1989 and were ready to set our life in motion. In 1997 it turned into a roller coaster ride that you would not believe. With no family history of diabetes, we had no idea why both our children became Type 1 diabetics. Through education received from the Reppell Diabetes Learning Center, both Sam and Sarah (pictured above) have learned how to manage their carbs, progress with technology, and have graduated from using a needle to using a wireless pump which delivers insulin 24/7."

"When I went in for my 20-week checkup, I received news that any expectant mother dreads hearing: "I'm sorry," my physician said, "but we're unable to find a heartbeat." As I turned to my family and friends to cope with the loss, I realized the need for a support group. Working with the Baxter Regional Hospital Foundation and The Schliemann Center for Women's Health Education (SCWHE,) I helped start the Miscarriage and Stillbirth Support Group facilitated by a Center for Individual & Family Development therapist. This tied in well with the goals of the SCWHE which is to respond to health education needs for women of all ages in our community."

Charitable Gift Annuity

Do you need to increase your income?
Do you need significant tax benefits?

Then the answer for you may be to create a charitable gift annuity (CGA.) A charitable gift annuity is a contract in which you exchange a gift of cash or securities for a fixed income each year for the rest of your life (or for the lives of two people.)

Our CGA program was created as a service to our many donors who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives. This is an extraordinary way to make a gift, increase your income and slice your tax bill – all in one transaction.

Charitable Gift Annuity Rates Single Life

60	5.0%	80	7.1%

Planned Giving - Your Legacy to Your Hospital and Community

Whatever your dreams for your hospital are, there is a charitable gift option that will allow you to accomplish your philanthropic goals. Let us help tell your story.

Planned gifts are a variety of charitable giving methods that allow you to express your passion and dedication for Baxter Regional Medical Center.

Planned gifts can be made with cash, but many planned gifts are made by donating assets such as stocks, real estate, art pieces – the possibilities are endless.

Planned gifts can provide valuable tax benefits and/or lifetime income for you and your spouse or other loved ones. Whatever giving option you choose, you can provide a permanent source of funding for the causes you care about at BRMC.

The Baxter Regional Hospital Foundation will be honored to assist you in planning your charitable goals to enhance health care at BRMC.

“Planned giving is the future of BRMC – these gifts will ensure quality care for our community for years to come.”

- Estella Tullgren
Planned Giving Officer

Legacy Society

During 2010, Legacy Society members of the Baxter Regional Hospital Foundation spent time together in various ways: in June we picnicked along the river, in September we traveled by bus to Branson for a show and lunch and then closed out the year listening to Heart of the Hills Choral group at our Christmas party.

As a member of the Baxter Regional Hospital Foundation Legacy Society, you can gather with future generations of BRMC donors through the power of your philanthropic legacy. The Legacy Society members share a commitment to improving health care at BRMC.

When you make us aware of your bequest or other planned gift to BRMC, you automatically become a member of this very special group. Your gift will remain at BRMC, where it will benefit many health care issues – present and future.

Your gift can be made through a will, charitable gift annuity, charitable remainder trust, or insurance policy. We hope you will share your plans with us so that we may honor and thank you, unless you prefer to remain anonymous.

Legacy Society members gathered throughout the year for events and ended the year during the Christmas season at a holiday get-together.
